DRAFT WARNING TO BE ISSUED BY MOD PRESS SPOKESMAN

(0900 4th MAY).

~~The~~ British Forces today have suffered heavy attack from Argentine Forces and a serious loss has been sustained.

The British Government has issued repeated warnings to the Argentine about the consequences of interfering with the mission of our forces in the South Atlantic. By its hostile acts the Argentine Government has shown complete disregard for these warnings. ^{we} ~~Let us~~ repeat that the protection of our ships and men is our overriding concern. The Argentine must now be prepared for the consequences of their actions.

British forces in the South Atlantic
have today suffered serious attack
from the Argentines and major/grave/
serious damage has been sustained

The Argentine Govt. persists
in ignoring the warnings given
by HMG and it must follow
that British forces cannot be
expected to hold back so as
to expose our Fleet to further attack.

In particular, it is
emphasised that unless the Argentine
Carrier "The 25th May" immediately
withdraws to the North of
Parallels it will be liable
to attack.
