1. Patricia Hutchinson rang from Montevideo at about 1115 pm. She explained that she was ringing from the Uruguayan Foreign Ministry. The Ministry had called her in to inform and consult her about a request they had received from the Argentines to fly out the Governor of the Falkland Islands, his wife, and a party of Marines to Montevideo arriving in approximately 3 hours time.
2. ~~After consultation with you~~ we instructed her to raise no objection to this proposal and to arrange for the party to be flown back to the UK by the earliest possible flight, reporting to us by flash telegram.
3. MOD and duty PS informed.
