BATTLE ATLAS OF THE FALKLANDS WAR 1982

by Land, Sea, and Air

de GORDON SMITH, publicado por Ian Allan en 1989, y revisado en 2006

Usted puede acceder al mismo en el sitio www.naval-history.com

Ha sido transcrito a PDF y colocado en el sitio del radar Malvinas al sólo efecto de preservarlo como documento histórico y asegurar su acceso en caso de que su archivo o su sitio no continúen en internet, ya que la información que contiene sobre los desplazamientos de los medios británicos y su cronología resultan sumamente útiles como información británica a confrontar al analizar lo expresado en los diferentes informes argentinos.

A efectos de preservar los derechos de edición, se puede bajar y guardar para leerlo en pantalla como si fuera un libro prestado por una biblioteca, pero no se puede copiar, editar o imprimir.

"Battle of the Falkland's War" heads the list of recommended British-published books, described as "a very useful and detailed guide to the day-by-day development of the war", Argentine Army journal "Soldados", April 2000

"contributed tremendously to my knowledge of the war", Francois Heisbourg, Director, The International Institute for Strategic Studies, London

"The advantage to the reader is the wealth of maps and diagrams (as the) campaign was actually very complicated", Armed Forces

"concise and meticulous handbook describing the strategy, tactics and logistics...", Navy News
